of  
Ong Yong Yi

*I can't tell you how it feels,  
To hear Him cry.  
But I can tell you how it feels,  
To watch Him die.*

*I can't tell you how it feels,  
To hear Him laugh.  
But I can tell you how it feels,  
To hold Him in my arms.*

*I can't tell you how it feels,  
To see Him crawl.  
But I can tell you how it feels,  
To lose someone so small.*

*I can't tell you how it feels,  
To have Him in my life.  
But I can tell you how it feels,  
To have Him in my heart.*

*I love you Yong Yi*

*With all my heart*
